STATEMENT OF FAITH

We believe in one God, eternally existing in three persons: Father, Son and Holy Ghost.

We believe that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man.

We believe that man was created in the image of God: that he sinned, and thereby incurred, not only physical, but also spiritual death which is separation from God.

We believe that the Lord Jesus Christ died for our sins as a substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood.

We believe that each individual must experience regeneration, being born again of the Holy Spirit by faith in the Lord Jesus Christ, thereby becoming a child of God.

We believe in the bodily resurrection of our Lord, in His ascension into heaven, and in His present life for us, as High Priest and Advocate.

We believe in the bodily resurrection of the just and the unjust, the everlasting blessedness of the saved, and the eternal punishment of the wicked.

We believe that the individual who lives in sin and does not repent cannot inherit the Kingdom of God.

THE WINKLER BIBLE SCHOOL

Historical Sketch

The Winkler Bible School was founded in the year 1925 by Rev. A. H. Unruh. The need for such a school was felt by a number of earnest Christian leaders. The school began to operate as a private institution and instructions were also given in a private home. The interest in this work of the Lord increased steadily, so that an administration building was erected, which had to be enlarged twice to accommodate the students. Two dormitories were procured in order to provide lodging for the students. In 1962 another dormitory for lady students was acquired.

Twenty-four instructors (including two private lesson teachers) have taught in this school. Rev. A. H. Unruh was the first principal and held this position for nineteen years. The brethren who followed him in that position were: Rev. J. G. Wiens, Rev. H. H. Redekop, and Rev. G. D. Huebert.

In the year 1944 the Mennonite Brethren Conference of Manitoba assumed the responsibility for the administration and operation of the school. For nineteen years. It has functioned under the leadership of the faculty. Since then the conference has been responsible

for its operation. Many young people have received their training in this institution. A substantial number of them are serving in various fields of Christian service at home and abroad. The blessings of the Lord have rested upon this institution in the past, and we pray that His benediction be also upon it now and in times to come, so that many more young people may receive their Biblical training here for an effective Christian service in God's vineyard.

The Administration Building

was erected in 1926. After a few years, a second story was added, and in 1938 this building was enlarged to twice its former size. It now has an extensive auditorium, three class rooms, an office, a teacher's room, library, and in the basement it has two wash rooms, a tennis room and a kitchen.

OBJECTIVES

The objectives of the Winkler Bible School are:

- 1. To teach the Word of God.
- 2. To foster the deeper spiritual life, to make a personal commitment to Jesus Christ and to encourage consistent application of the knowledge of the Scripture in daily life.
- 3. To promote an expressional program for effective Christian service.

GENERAL INFORMATION

The Ladies' Dormitory

There are two dormitories to accommodate lady students. The dormitory on 10th Street has seven rooms and the one on Pembina Avenue has 6 rooms. Both are within short walking distance of the school.

The Men's Dormitory

is about four blocks from the school. It was procured in 1944. This building has two stories and a full basement. On the second storey there are twelve rooms for students and a washroom. The main floor has thirteen rooms for students, a recreation room, a lounge and a washroom. A large dining room and kitchen are located in the basement.

Students Standards

All students are required to maintain a high standard of Christian conduct as is becoming of Christian men and women. Questionable amusements, card playing, dancing, theatres of any kind, use of tobacco and intoxicants are prohibited. The students are further expected to submit to spiritual admonition, exhortation and correction. The school reserves the right to dismiss any student who does not conform to the spiritual and ethical standards of Christian conduct as accepted by the school.

Students will do well to have a medical check-up and to have all dentistry and optical work attended to before coming to school as their time will be taken for studies and school activities.

Life

The life of our school thrives on prayer. In view of the great importance of regular and systematic habits in devotion, the school offers its students the following: 1) daily private devotional periods, morning and evening, 2) daily morning devotions in school, 3) weekly prayer meetings for men, 4) weekly prayer meetings for women, 5) special prayer meetings, private and public, as occasions may arise. Students are required to attend all chapel services unless officially excused.

Practical and Gratis Work

A supervised practical work program is an integral part of the training offered by the Winkler Bible School. The students are urged to engage in some form of Christian activity during their training period. The activities are the following: visitation in hospitals and in homes for the aged, personal work, Sunday School teaching, house visitation in the homes of the poor and the sick, weekly evangelistic services in school and in surrounding areas, programs in school districts, mission stations and churches.

Besides their missionary activities, the students are also required to give some of their time to the school for services which will be arranged by the student supervisors. This arrangement fosters the spirit of cooperation and sacrificial service, makes diversion possible and helps to reduce the operating cost of the school. This type of work was carried on by the students for many years and has worked out satisfactorily.

Dress

Bible School students should dress with becoming modesty at all times. Simple serviceable clothing is desirable. At all public meetings representing the School, students should dress becomingly; ladies are requested to bring a dark skirt and white blouse with three quarter of full length sleeves for these occasions.

What to Bring

For your rooms you will need a pillow, quilts or blankets, all bed linen, bed spreads, and other personal equipment you may require. Chairs, tables, bed and mattress are supplied in the dormitories.

Also bring Bibles, Bible dictionary, standard dictionary and other reference books.

Publication of the School

Every year the students, under the supervision of the faculty, produce a yearbook, which gives a general review of the activities and life of the school. The name of the publication is The Morning Star.

Annual Bible and Missionary Conference

Since there is a great need for Bible emphasis and missionary expansion, the school has introduced this annual conference which usually lasts three or four days. Bible expositors and missionaries from the homeland and abroad then serve the school and its friends. Teachers and students take an active part in the conference. This annual conference has stimulated and strengthened the interest in God's Word and in the cause of missions, and it challenges believers to put forth greater effort in the cause of the Lord.

The Library

The Winkler Bible School has more than 1500 volumes in its library. The importance of research work is recognized, and therefore the school is concerned about the continual increase of the number of books on the various subjects which are taught in this institution.

Admission of Students

The school accepts men and women of approved Christian character. Each student must fill out the official application form and return it to the official of the school as indicated in the application form. The minimum age of entrance is sixteen years. Exceptions require special consideration and official action.

Students will receive credit for work completed in other recognized schools providing it is work which is equivalent to that done in this school.

Students who have graduated from highschool (Grade XI of Manitoba; Grade XII in some other provinces) may enter the second year. However they may be required to take some of the most essential subjects of the first year.

Graduation of Students

Students who expect to graduate, must give evidence of Christian character, soundness of doctrine and they must also satisfactorily complete the prescribed courses from which they expect to graduate.

Special and Married Students

Students who come to school only for certain subjects, or who cannot stay longer than one term, or who are advanced in years or education, are eligible for classification as special students and may take an elective course. Married persons are admitted if both conform to the rules of the school. Students who marry while pursuing their course of study will be required to withdraw.

Evangelical Teacher Training Association

In 1930 a movement was started among the Bible Institutes of Canada and U.S.A. for the promotion of a more adequate course of training for Sunday School teachers. Out of this movement grew the Evangelical Training Association, of which the Winkler Bible School is a member. Under the supervision of the Association, the completion of the requirements will merit awarding of the Teacher's Diploma.

Also upon completion of the Standard Training Course offered at the Winkler Bible School, the student merits the Diploma of the School.

Bursaries

Three bursaries of seventy-five dollars each are offered by the Manitoba M.B. Youth Committee to students who intend to attend the Winkler Bible School. Information may be obtained by writing to the Principal, Winkler Bible School, Winkler, Man.
